

Docket No.: 10014738-1

Serial No.: 09/849,794

Proposed Agenda for Interview:

1. General discussion of the present claimed invention.
2. General discussion of the primary references cited in the 103 rejection: Hamanaka and McGough.
3. Discussion of the motivation to combine Hamanaka and McGough by those of ordinary skill in the art.

The discussions above will allow Applicants to frame their response to the Office Action, with the purpose of advancing the application toward condition for allowance.

Participants:

1. John Wagner and Bill Zarbis (for the Applicants)
2. Examiner Hoffman

1 pm Wednesday
